

REVIEW OF PREVAILING ATHLETIC SPORTS

THOUSANDS SEE FAST RACING

Largest Crowd of the Week Attends Events at State Fair Grounds—Ed Is Defeated.

The largest crowd of the week was packed into the grand stand and betting ring at the state fair grounds yesterday afternoon and the results did a great business. The races were as good as any seen during the week and the crowd seemed perfectly satisfied. There were some interesting harness events and the running races were of a high order.

The first event, the 2:17 trot and pace, was the feature harness race of the day, requiring five heats to decide it. Pay Edward lost the first two heats but captured the third, fourth and fifth, taking first money against such horses as Arizona and Meadow.

Another good race was the 2:24, in which there was a great fight between Prudential and Harmonic, the former winning with a pretty burst of speed.

In the first running event of the day the talent was disappointed owing to the poor performance of Ed. This horse was a pronounced favorite and looked like a winner in all the stretch was reached when the animal quit.

The second run at six furlongs was taken by Irish Mike, N. J. Charles' horse. The last race was taken by St. Joe. A summary of the harness events follows:

First race, 2:17 trot or pace—
Pay Edward 2 1 1 1
Meadow 1 2 3 3
Arizona 4 4 4 2
Thought 3 4 4 2

KEENE DOES NOT LEAD ON THE TURF

Sam Hildreth Has Captured First Honors for Year of 1909—Amounts Won.

FITZ HERBERT'S VICTORIES.
Pocantico handicap \$1,075
Broadway 2,000
Suburban 4,000
Conway Island Jockey club 1,900
Advance 2,000
Realization 15,000
First Special 2,400

Amount won \$27,475
MASKETTE'S TRIUMPHS.
(Keene did not win a 3-year-old.)
Ladies' \$5,550
Gazelle 4,195
Mermald 4,000
Alabama 4,000

Amount won \$18,155
New York, Oct. 8.—Sam Hildreth has been leading James R. Keene a dog's life this season. Right from the beginning of real racing at Belmont park—on through the long list of Rich prizes that have already been distributed it has been Hildreth first and Keene second, or somewhere else.

The Hildreth first part of it has been almost invariable and James R. has headed the winning owners for so long that racing has been all out of joint for the "white and blue spoils."

The Futurity went to the Keene stable because Hildreth has not paid much attention to the 2-year-old division, but that best of baby races did not atone for the Metropolitan Suburban, First Special and many others taken by Hildreth.

All through the season the one argument that has not been settled in favor of Hildreth is the relative quality of his best 3-year-old Fitz Herbert and the Keene 3-year-old Maskette.

This was to have been decided in the Oriental handicap at Gravesend last Saturday. Maskette, however, declined the issue. Fitz Herbert ruled a 9-20 favorite, but had his measure taken by Affliction, a 15-1 outsider.

Maskette this season has not been asked to meet colts, all of her races being exclusively for fillies. She has only started three times and on each occasion she scored a hollow victory.

Fitz Herbert, from his first victory in the six furlongs of the Pocantico, has gone through his list of stakes over all distances up to the mile and five furlongs of the Lawrence Realization in the same convincing way, and no horse of any age has been able to stop his triumphant march up to Saturday.

All conditions of tracks, all distances, all fields, have been alike to him.

This Fitz Herbert was one of the real bargains of 1909. He was bred by Perry Belmont, being a son of Ethelbert and Morganatic, and began his racing career in the colors of A. J. Joyner, now training the horses of Harry Payne Whitney in England.

Early in the racing year he was sold to Herman Brandt for something less than \$5,000 and within 10 days after the sale Joyner realized he had made a mistake and he offered to buy him back at a very considerable advance.

Brandt would not sell, but later in the year he sold him to Hildreth. Had Joyner kept Fitz Herbert he surely would have been a better American representative than any other 3-year-old that was taken across the Atlantic.

Maskette is a daughter of Disguise and Rituria, and was bred at the Cassle stud of James R. Keene. Her most notable race was a 2-year-old was her victory in the Futurity.

EEL WINS ANOTHER.
Lexington, Ky., Oct. 8.—The Eel added another to his string of victories by winning the 2:30 pace in two heats from Baron Whips and Alleen Wilson here today.

The Johnson stakes, \$2,000, 2:24 class trot, three in five—Jack McKerron won second, third and fourth heats. Time—2:28, 2:30, 2:31, 2:32. Ore Bolini won first heat. Time—2:31, 2:32. Martha Dillon, France and Adoo also started.

2:30 class, trotting, purse \$1,000, three in five—Demarest won in straight heats. Time—2:29, 2:30, 2:31, 2:32. Alice Roosevelt, Nancy Boyce, Burnside, Kenyon W. and Edmondson also started.

2:00 class, pace, purse \$1,000, two in three—The Eel won two heats. Time—2:05, 2:07. Baron Whips and Alleen Wilson also started.

COACH MADDOCK'S HUSKY GRIDIRON SQUAD.

With such a bunch to pick from it is a foregone conclusion that Maddock and his gridiron warriors will be heard from during the football season. The team lines up against the Aggies of Logan today and it will indeed be surprising if the east benches do not bring home the Aggie's scalp. It is the first real game of the season as the clash with the Ogden high was more in the nature of a practice game than anything else. After the Logan game Coach Maddock will, in all probability, have the team definitely made up for the season of 1909.

Big Football Games Are Scheduled For the University of Utah

If the U. of U. football team does not play the Colorado Miners this season it will be entirely the fault of the Miners. Yesterday there was a meeting of the athletic council and the result was that Coach Maddock was instructed to wire the Miners to sign a contract for a game between the two teams to take place at Golden on Oct. 25. A reply is expected at any time and it is most probable that the game will be played.

John H. McIntosh, coach of the Montana Agricultural college team at Bozeman, will invade Salt Lake with his string of husky warriors on Nov. 13, and live up against Maddock's braves on the hill. The Montana gridiron stars will come down in a private car and will be accompanied by a big crowd of rooters.

The Montana team is said to be one of the strongest in the intermountain country and a game between the two elevens should prove a great one.

On Oct. 15 the U. of U. goes to Butte and will clash there with the Butte Miners. This team is also a strong one and will give Maddock's men plenty to do to win.

pitched Mathewson except in the matter of strikeouts, but his own error and misplays by Carigan and Lord is the fourth inning enabled New York to win the game.

Sacramento 5 9 1
Portland 1 7 5
Batteries—Johnson and La Longe, Chenault; Seaton, Guyn and Fisher.

MURPHY ASKS FOR FURTHER HEARING.
Pittsburg, Oct. 8.—The national commission met here today, but did not take the expected action on the reopening of the Pfeffer case. President Charles W. Murphy of the Chicago Nationals, has asked for the reopening of the case, for which he was fined \$500 for alleged tampering with Pitcher Pfeffer of the Toronto Eastern league club.

It is expected that decisive action will be taken tomorrow.

From intimations made by members of the commission it is thought Murphy will be given 72 hours in which to pay the \$500 or be read out of organized baseball.

The commission decided how the umpires were to work throughout the world's championship series and especially cautioned the umpires of both teams concerning rowdiness.

The commission adopted resolutions in regard to Harry C. Pulliam, late president of the National league. They read:

"Organized baseball never had a more zealous and devoted sponsor. In order, therefore, that his memory may forever remain green, it is directed by the national commission that a memorial card be printed, and that on the day scheduled for the first game of the world's series on each year, the same be distributed to all of the eligible contesting clubs, the official umpires, scores and business representatives as well as to the owners of the contesting clubs and the press and that on the same day in each year there will be placed on the grave of Harry C. Pulliam at Louisville, a floral wreath as a token of the esteem in which he was held by all connected with organized baseball."

FOOTBALL RULES FOR 1909.
(Respectfully submitted to the committee of revision.)
Football must be resilient and collapsible at a pressure of 70 pounds to the square inch; this will break many a fall.

No gridiron shall be of metal. The college yell is hereby abolished as a relic of barbarism, inciting to brutality.

Players must have their hair cut before each game. Floating hair is inimical to the trachea of contestants. The high ball, or anything approximating to it, is barred as tending to bad feeling; players may be cheered but not incited.

TEAMS WILL BE ORGANIZED SOON

Y. M. C. A. Starts Next Week With Handball and Basketball Tournaments—Working for Positions.

Seely, Brown of the athletic department of the Y. M. C. A. announced today that next week the work of selecting members for the first and second basketball teams representing the association would begin. There are scores of candidates and judging from the interest manifested at such an early date, it is more than probable that the association will have a couple of crack teams. The men are to begin Monday trying out for positions and as rapidly as they show class they will be given their places.

Mr. Brown says they are going after the championship and feels confident of landing it.

In addition to the two teams representing the organization there will be a dozen class teams, and it will only be a short time when these are formed and active work begun. There will also be handball tournaments for individual and team honors and teams will be made up probably during the coming week. There is considerable rivalry between the association and teams will be made up of the fire department, and the latter are getting into shape for the season and intend to arrange games with the Y. M. C. A.

HUMANE SOCIETY STOPS FOX HUNT

Cincinnati, O., Oct. 8.—The fox hunt scheduled for the countryside in the vicinity of Cincinnati by local society and the Humane Society, has been stopped. The officers who have been investigating the affair have reported that two men were now on view in the window of one of the city stores, have been in captivity a long time and that it will be down to cruelty to liberate them in front of a pack of 35 hounds.

The debauchees, who were to take part in the hunt are piqued over the action taken, and declare that the hunt will be run off, and that Texas that have not been in captivity will be used.

The Humane Society officials are taking no chances and will station officers to prevent the hunt today.

ENGLISH POLOISTS ARE COMING HERE

New York, Oct. 8.—If the negotiations going on between the executive committee of the American Polo Association and the Hurlingham committee in England are successful, a team of English poloists will come to this country next summer to play for the international cup, which was captured by the American team in England this season.

It is believed that the games will be held in August.

NO FOOTBALL IN GRADE SCHOOLS

Principals Are Opposed to the Game But the Basketball Season Begins Next Friday.

There is much disappointment among the boys of the grade schools because of the decision reached by principals of schools and the executive committee on athletics with reference to football. This year the various schools will not have football teams, and there will be no grade school league. At a meeting held during the week of the executive committee, attended by many of the principals, the subject was thoroughly gone into and the decision finally reached that the gridiron game be wiped off the athletic slate at least for the year.

But the boys and girls will have basketball, and the fight for the city championship begins next Friday. A league is being formed, with two divisions, the east side and the west side, for both boys and girls. There will be from eight to 10 teams in each division and they will fight it out for the championship of the respective sides.

The games will run throughout the school year, and the decision finally reached that the gridiron game be wiped off the athletic slate at least for the year.

The final games last season were played at Wandamere in basketball and baseball. The Summer boys won the basketball championship and the Lowell girls captured the pennant in their division of the game. Early in the spring the baseball league will be organized and there will also be track and field work.
